The WPC Community generously made pledges totaling approximately \$700,000 in each of the last two years. We hope to grow that support for 2020 and would like to get to \$750,000. The giving pyramid below shows how we can get there. Will you consider: *a.* moving up a level on the pyramid this year or *b.* a new pledge if you haven't pledged in the past? We ask that you take time out in the next few weeks to prayerfully consider what financial support you can provide WPC for 2020 and send in your pledge no later than October 6th. **THANK YOU!**
