

### **Bag Lunch Program Every Wednesday 10-12 dropoff at WPC**

This past week we've been in touch with families wishing there was something they could do to alleviate some of the suffering and also just to have a good reason to get out of the house. At the same time, we've been in touch with our friends at Sausalito Presbyterian Church who've been hosting our hot lunch program about their needs going forward. Since many of their volunteers are seniors and considered "at-risk" and many of the vendors who've been providing them with food have had to scale back service we thought you might be able to help in a small way.

Further, the Marin Health and Human Services (our public health department) asked us to help so we could spread the word about COVID-19 best practices. Since many in the homeless population place far more trust in churches than the government they're hoping we can relay some information to protect that population with the meals we provide. This is considered an "essential service."

This is what we need:

- Brown Bag Lunch (in your bag please include)
  - Soft foods such as
    - Peanut Butter and Jelly
    - Thinly sliced deli meats and cheese
    - Bananas, Oranges, Cuties
    - Yogurts
    - Hummus, Guacamole, etc
  - Juice or Water
  - Chips/Crackers are okay and appreciated
  - Soft Cookies or other soft treats
- Print and Drop the attached info into each bag
- Say a prayer for each bag
- You're also welcome to include:
  - An encouraging note
  - Sanitary supplies

Feel free to make as many as you'd like. Our goal is to have at least 25. Please do keep in mind that we'll be doing this every week for the foreseeable future.

One of our high school adult leaders Jeff Heely has volunteered to be at WPC this Wednesday between 10:00am – 11:00am to collect all the bagged lunches. He will take them all to Sausalito Pres. We're doing this with the Friday Morning Men's Group who also wanted to help. Thanks to them! And special thanks to Jeff!
