

NOTES & BOLTS

Renovation Committee Tidbits

MAY 2020

CONSTRUCTION RESUMED ON MAY 4th, 2020! The contractor is taking all the necessary precautions to ensure compliance with local and state guidelines for social distancing and worker safety.

Construction Progress- The old Narthex has been removed and work has begun on building the new Narthex, as well as installing the elevator and completing exterior windows and siding. The contractor expects the project to be completed by end of October 2020.

Sponsorship Opportunities- We had an overwhelmingly positive response to the request for Sponsorship. Almost \$60k in project costs have now been sponsored by individuals, church groups, and commissions. Thank you all for this generous support and be on the lookout for new sponsorship opportunities posted to the bulletin board and website.

Ongoing Communication- The committee plans to keep the church community updated on the renovation project in several ways; Notes & Bolts, Zephyrs, the Bulletin Board and the WPC website. Please visit www.wpctiburon.org regularly for updates and if you have questions please contact Ron Meserve or any other member of the WPC Renovation Committee.
