

YOU CAN HELP

## BECOME A SHELTER WORKER TODAY

**The American Red Cross has an urgent need for shelter workers now that we face a unique challenge in preparing for this wildfire season.**

As a Shelter worker you will be supporting the day-to-day activities within a shelter which may include assisting with reception & registration, ensuring meals are set up, helping with dormitory needs, disseminating information, and providing comfort when it is needed most.

### Requirements:

- Volunteers need to serve the community in-person before, during, or after a disaster in the current environment, that may include COVID-19.
- Must be able to work in a shelter for at least 5 consecutive days (shifts 12 hours)
- Age: 18+ years (16+ yrs. to train)
